## All About...

St Johns Guild was founded in 1919 through the initiative of Miss Dorothy Light and the Reverend Christian Waudby, a blind Anglican priest.

They were concerned at the isolation and loneliness in which so many blind people lived.

Today the Guild supports many Member Branches throughout England and has its own registered care home, St Raphael's in St Albans.

**Join St Johns Guild today, to get access to information, support and publications!**

## St John's Guild

### The Newsletter

This is published three times a year in ordinary print, large print and on audio tape.

### The New Church Messenger

This is published three times a year in print, Braille and on audio tape. It is available to any visually impaired person (not only members of St Johns Guild) and it contains informative, thought-provoking and amusing material.

### New Daylight Notes

Copies of the Bible Reading Fellowship's 'New Daylight Notes' in Braille are available at a reduced cost subsidised by St John's Guild.

## How to get Involved

Please tick the appropriate box:

- I am interested in the work of St John's Guild and would like information about membership
- I would like to receive information about St John's Guild publications
- I would like to receive information about St Raphael's residential home
- I would like to support the work of St John's Guild and enclose a donation

### Gift Aid Declaration

REF: STJGDL1209

I am a tax payer. I want St John's Guild to claim tax back on my gift. My income and capital gains tax for the year will be at least equal to the tax to be reclaimed.
